## Welcome to the 2018-2019 School Year

Hello, Wildcat Families,

We hope everyone made the most of the summer months and gorgeous weather! The staff at Central School is excited to learn with your child(ren) this school year.

We will send a newsletter to our families on the second Tuesday of every month. This will allow us to incorporate the latest information shared at the PTO meetings from the first Tuesday of every month. This paperless format will allow you to access all PDFs from a computer or a smartphone.

In addition to the monthly newsletters, you can also find updated school news on our Central Administration Facebook page (link at the bottom of this newsletter) and through Connect ED text messages. If you are a Facebook user, we highly encourage you to follow our page. I share school news and pictures of the unique learning opportunities happening at Central School.

This newsletter contains multiple PDF attachments that are embedded throughout. We encourage you to open the embedded attachments and make note of the procedures and current events!

Please do not hesitate to call Central Elementary at 815.436.9278 if you have any questions regarding the content in this newsletter.

We look forward to another fabulous year at Central School!

Cheers,  
Dr. Hennegan  
Principal
