

## 5 Essentials Parent Survey 11/1/18 through 1/18/19

The parent survey is to be completed by a parent/guardian of a child in grades prekindergarten through 12. The parent survey is available in English and Spanish and takes approximately 10 minutes to complete. If parents have more than one (1) child that attends the same school, they may elect to participate multiple times. For parents with children enrolled in multiple schools, we recommend that they participate in the survey for each school. Only one parent per household may participate in the survey.

Please use the screenshots below to assist you in accessing the survey. Your thoughts and feedback are essential to our continued growth as we strive to create a school environment that provides opportunities for success for every student academically, socially, emotionally, and behaviorally. Thank you for taking the time to complete this.
