

Good evening 5th Grade Families,

This is an important message for our current 5th grade parents whose students will be at Indian Trail Middle School for the 2021-2022 school year.

I know it is hard to believe given the current situation of everything, but it is time to start thinking about class choices for your 5th grader. Next year, your child will be able to sign up for two classes worth of Encore classes. This means that 6th grade students will be able to take one of the four choices: Band and an Encore offering, Choir and an Encore offering, Band and Choir, or they will be enrolled in two Encore offerings.

Here is what we would ask of you:

1. [CLICK ON THIS LINK](#). Read about how Encore classes work at the middle school.
2. Watch the Band and Choir Recruitment video (linked on web page).
3. Read through the various Encore classes your student might be placed in (if not choosing Band and/or Choir).
4. Open the Encore Selection Directions (linked on web page).
5. Follow these directions, log in to Home Access Center, and make your Encore selection.

We request that all forms be submitted electronically by Friday, January 22nd.

Please note that if your student was receiving extra academic support, we may be suggesting they take an extra LA Lab or Math Lab class in lieu of one of his/her Encore offerings. If we see fit, the Indian Trail administration will be contacting any parents to discuss this option.

Thank you for your time, and if you have any additional questions, feel free to contact Indian Trail Assistant Principal, Mr. Mason Luebbing (mluebbing@psd202.org) at your convenience.

Thank you again and have a great evening.
