

# Elementary Breakfast Menu

December 2021

All Meals are served with a variety of fresh fruit and vegetables options. Milk is offered with all meals.

Due to national food shortages, our menus are subject to change. We will be working on adding new menu items as they become available.

If your student has a life-threatening allergy, we recommend packing a lunch, with food shortages we are going to have to make frequent changes to the menu and introduce new products that may contain some allergens.
