What is the PTO?

The PTO is a group that comes together to promote open communication between parents and staff. We work together to improve the lives and education of students.

How do I join?

Fill out the PTO membership form and send in membership dues.

How much time will I have to volunteer?

That is completely up to you. We have many different jobs. You could help plan an event or volunteer an hour at the event. There are projects that get done at the school and others to work on at home. It is up to you as to how much time you would like to commit.

What happens at the PTO meetings?

We discuss PTO business like upcoming events and spending. We also share ideas with the school and how the PTO can assist. The principal also updates the PTO members with important school information. This is a great way to stay informed and have your voice heard.

What are some other ways to help?

You could participate in a fundraiser or send in donations. You can attend a PTO event which promotes family involvement. You could bake for an event or teacher's luncheon.

How do I stay connected?

**You can attend monthly meetings or join our Facebook group:
"Plainfield Central Elementary PTO." **

How does the PTO use the money raised?
